With increasing competition and rising qualifying thresholds, obtaining the advice of a professional team with proven success is one way to make sure your application stands out and can significantly improve potential outcomes.

Our experience in preparing these applications has resulted in the development of an efficient and effective template, which is tailored to individual schools. This allows you to focus on the day job whilst at the same time increasing your chances of securing funding.

We have supported our school clients with a variety of bids including:

Why Choose Synergy?

- Long established consultancy with a proven track record
- Experts in education with school projects accounting for 70% of workload
- Over £63.5 million secured for a range of condition items AND expansion schemes
- Partner Led service on all projects
- In most cases, we will prepare your CIF bid for FREE
